More room to play at Alice Park

Help us get Phase 3 underway.

Alice Park's next upgrade will give older children more room to climb, swing, make music and spend time with friends. We're inviting businesses, trusts, families and friends of the park to help make it happen.

HEADLINE SPONSORS WANTED

£60,000 secured. Help us match it.

Bath's Neighbourhood CIL award gives Phase 3 a funded starting point. We are seeking one or more headline sponsors to contribute a further £60,000 to match that public investment.

Headline gifts will help fund safety surfacing and the wider site costs that sit alongside equipment sponsorship.

Matching the CIL award is our next fundraising milestone. Further equipment sponsorship and donations will help deliver the wider plan.

How the play area is changing

PHASE 1

New play for younger children

OPENED SEPTEMBER 2025

Timber equipment, safer surfacing and more space for picnics.

PHASE 2

Sandpit equipment replacement

ON ORDER

Local fundraising helped pay for new sandpit equipment.

PHASE 3

More play for older children

THE NEXT UPGRADE

A free place for 9-14-year-olds to be active and meet friends, with particular attention to girls and children with additional access needs.

Become a sponsor or give any amount

Every play feature offers an opportunity for individual sponsorship, subject to availability. Contact us about a feature, a complete play package or a headline gift, or visit our fundraiser to donate.
